

Press release

Uwe Scheihing, new Chief Financial Officer of dataTec AG

dataTec AG strengthens its Management Board | Expansion and growth trajectory continuing onward

Reutlingen, July 23, 2024 - dataTec AG, one of the leading distributors of measuring instruments and test equipment in Germany, is pleased to announce the appointment of Uwe Scheihing as new Chief Financial Officer. "With his experience, passion and motivation, Uwe Scheihing will be supporting the company on its growth trajectory in the areas of finance, team building and organizational development," explains Markus Kohler, CSO of dataTec. He emphasizes: "His expertise with a strong focus on internationalization is the ideal addition to our Management Board team and we look forward to working with him."

Uwe Scheihing brings more than 20 years of experience to the table in the financial sector of companies at the international level and can therefore provide dataTec with valuable impetus for the next phase of growth. "At dataTec, opportunity and challenge converge and that meshes perfectly with my professional DNA. My discussions with the members of the Management Board and my future team, in particular, convinced me that this was the right decision," says Scheihing. As the new CFO, his plan is not merely the further optimization of the area of finance. "I see my role as augmenting the dataTec Management Board team as well as providing fresh perspectives. I would also like to further expand the Finance department and bring certain services back into the company in order to further increase our efficiency and expertise," explains Scheihing. He attaches great importance to close and trusting cooperation.

Founded in 1985, dataTec AG has established itself as a reliable partner for industry and public authorities, as well as education and research. The specialist distributor offers a broad network of measuring device and testing technology distributors. dataTec is characterized by innovative solutions and comprehensive customer service. With its branches and partners in Europe, the long-established Swabian company is well positioned internationally and intends to continue expanding into the future. The appointment of Uwe Scheihing as Chief Financial Officer underlines dataTec AG's commitment to further extending its leading position in the market and successfully mastering future challenges.

About dataTec

dataTec AG is the leading specialist distributor for test and measurement technology in Germany. Growing in Europe. Since 2018, dataTec has been pursuing the European expansion of its sales activities and is currently active in Spain, Switzerland, Austria, and the Nordic countries of Sweden, Estonia, and Finland. The broad product portfolio from more than 50 manufacturers includes power supply units, oscilloscopes, modular measurement technology, test systems, test equipment, and thermal imaging cameras. With over 140 employees, the Swabian family-owned company dataTec advises clients from a wide range of sectors and areas—from industrial companies to public authorities and educational institutions—from its headquarters in Reutlingen.
